Our Mission

The faculty and staff of Chicora School of Communications believe each student to be a productive, contributing citizen with the abilities to compete competitively and communicate effectively within a global society. Our mission is to provide all scholars with the necessary skills and practices for future success, through the use of technology and the arts!

Core Strategies for School Renewal

1. Continually improve curriculum and instruction throughout the school and integrate technology.
2. Establish effective financial control and align financial resources with student needs.
3. Increase performance accountability and evaluation efforts and progress.
4. Involve the community in the school's improvement through increased parent involvement and business partnerships.
5. Implement policies to ensure a safe, clean, and orderly school environment.
6. Organize staffing and provide effective training to successfully support high performance.
